

'round town

with Betty Allen...

The Campbell Press is feeling very much like a lady who has just had her face lifted. The results are fine—but the memory of the surgeon's knife is still keen. . . . It is hoped that everyone will drop in to see the rejuvenation job now that the carpenters and painters have left us. Just as they told us, tho, it seems lonesome without them.

Friends of Joe McKinnon, county supervisor, have had a lot of fun calling him a "glorified road-master" since the Grand Jury's attack on the Board of Supervisors. Just the same it is a little upsetting to an unincorporated area to have its governing body criticized by such an august body as the Grand Jury.

Hans Hansen, owner of the Taste Good Bakery, deserves a tribute from the townspeople for the conscientious and generous way in which he has supplied the entire town with bread during the strike. It has meant long hours at the oven and, before he was able to get help, he worked 48 hours at a time without stopping. Thanks to him, children could take their lunches to school, housewives could stuff their turkeys, and the Campbell restaurants could feed their customers.

With the housing problem almost a national calamity it would be interesting to know how many rooms there are in Campbell homes which could be rented to returned veterans—rooms which are not now used by anyone.

Those who attended the Grammar school pageant were well-rewarded. The affair was done with almost professional technique and there were many who had lumps in their throats while the angelic-looking choir was singing.

By the way, the firemen ask that anyone who turns in an alarm at the fire station stick around until the firemen come instead of running back to the fire.

The last Chamber of Commerce meeting proved quite a shock—not even a quorum present. It would seem that all those who have money invested in Campbell, either in homes or business, and those who enjoy the benefits of the schools and churches here would feel it a privilege and a duty to take part in an organization which is so eager to work for the future of Campbell and to tackle the problems confronting us all.

And a Happy New Year to everyone!

Jancik To Be Discharged

Private Melvin Jancik will leave next week for Camp Beale to receive his discharge. His wife, the former Mildred McVea, will be at the home of her mother, Mrs. Jennie McVea. Jancik, who was in the cleaning business before entering the service, will join her after being discharged from Camp Beale.

A brother of the future dischargee, Calvin Jancik, Omaha, Nebraska, returned from Japan with Mrs. Jancik's brother Irvin earlier this month. After a short stay in Campbell he left for St. Louis to await his discharge.

Family Gathering

Mr. and Mrs. Ralph Emery, and their two children, David and Joan, were part of a large family gathering at the home of Mr. Emery's brother in Burbank. Among those present were relatives from Missouri. Christmas night the Emerys attended an annual party at the home of Mr. and Mrs. Leon Newell in Redwood City.

Mr. and Mrs. Gipson Bowden, White Oak Road, are the parents of a boy, Lanny Gipson, born early this month at O'Connor Sanitarium.

Robert Hughes To Be Home

Pfc. Robert Hughes, son of Mrs. J. R. Hughes, is reported to be on his way home aboard the USS "Celeno," a member of the Navy's famed "Magic Carpet" fleet, which left Saipan, Nov. 30.

Census Taking Half Done

With a little over 2000 names, the office of the Campbell Water Company reports that the census taking is slightly over half done. Those residents who pay their water bills by check and do not come into the office still have to be contacted. Employees estimate the total population of Campbell at about 3800.

The area included is "suburban" Campbell but not the rural sections. Water company officials report that with a very few exceptions everyone has been most cooperative and eager to find out the results.

This census will be of value to the town in that it will be able to dispense accurate information concerning itself. The San Jose Chamber of Commerce is eager to have the figures, as are other groups.

The Campbell Water Company has undertaken the project as a service to the community.

Reinhardt Lectures To Start Soon

Beginning Saturday, Jan. 5 and continuing to March 9, Dr. Aurelia Henry Reinhardt will give a series of weekly lectures under the sponsorship of the San Jose Garden Forum at the San Jose State College Little Theater. Dr. Reinhardt, founder of the Institute of International Relations at Mills College, and instructor and college executive, is one of the world's leading educators and her services were required by the U. S. State Department at the World Peace Conference in San Francisco last spring.

These weekly lectures will be a foundation for reading with understanding about the London meetings now beginning on the subject of the San Francisco Charter. The series will begin with an analysis of the charter itself, and an explanation of the London meeting and the agenda for discussion and final voting. The series will also include a lecture on each of the Big Five and will take up the matter of England's development from an island kingdom to a world empire and of the widening of France's European territory to include colonies on the continents of Africa and of Asia. One lecture will discuss what the ancient continental people of China have had to do with the second world war and the peace that has still to be made; other members of the Big Five will be analyzed. The new regional organization will also be taken up. Dr. Reinhardt has traveled and studied in the countries she will discuss and it is expected that she will bring to the series of interpretative lectures her rare knowledge of peoples, a deep interest in history, and a high faith in the potential value of American democracy.

The subjects to be discussed will be the following: The San Francisco Charter, The Big Five—Their Basic Kinship, England and Her World Empire, France and Foreign Policy, China in World History, Russia—the New-Come, Pan-America—to Compete or to Cooperate, The Arab Federation—an International Portent, The Little Nations in Peace and War, and the United States—Leader or Follower.

Wheeler's Son Home

Home for the holidays is Ronald Wheeler, son of Mr. and Mrs. Les Wheeler, on leave from the Merchant Marine. Also present for the family gathering on Christmas Day was Mrs. Wheeler's sister and husband, Mr. and Mrs. George Green of Willets.

California Leaders To Meet In Sacramento

From all over the state, from every town and city, California citizens will get together on Jan. 5 and 6 in Sacramento in an emergency legislative conference to develop a unified program for presentation to the State Legislature's special session on Jan. 7.

The two-day non-partisan meeting, called jointly by Attorney General Robert Kenny and San Francisco attorney Bartley Crum, and sponsored by more than 70 organizational leaders throughout the state, will outline the needed legislation to meet critical peace-time problems.

Calls have gone out to more than 500 organizations and individual leaders in some 20 California communities, including Los Angeles, San Francisco, San Diego, Sacramento, Santa Barbara, San Luis Obispo, Ventura, Redlands, San Bernardino, Oakland, Berkeley, Alameda, San Jose, Contra Costa County, San Mateo, Bakersfield, Fresno, Tulare, Turlock, Beverly Hills, and farm areas represented by the Grange and its president, George Sehlmeier.

Every Grange will send delegates.

Radio will play a novel role in the emergency conference. Already scheduled are a CBS statewide broadcast of the opening session on Saturday, Jan. 5, at 1:30 p. m.; and a one-hour pick-up of the proceedings on Sunday at 3 p. m. over stations KYA and KMTR, with additional networks in rural areas.

Also, Chet Huntley will air his nightly "10 o'clock wire" from the conference itself in Sacramento.

In addition to rural-urban problems, the conference will consider such major issues as housing, veterans' needs, FEPC, full employment, and public works.

Sehlmeier will be chairman of the rural-urban panel. Clarence Linn, deputy attorney general, will direct the panel on unemployment in insurance and social security, covering health and old age pensions. He will be assisted by Marianna Packard, executive secretary of the Northern California Health Commission.

Colonel Evans Carlson, Colonel James Roosevelt, and Assemblyman Everett Burkhalter will head the veterans' panel.

Child care panel will be directed by Assemblyman Ernest Debs, League of Women Voters Legislative director, Mrs. Max Stern, and San Francisco club leader Harriet Eliel.

Assemblyman Lester McMillan, California CIO secretary-treasurer Mervyn Rathbone and State Senator Jack Shelly, president of the San Francisco Central Labor Council, will head the panel on full employment. Congressman George Outland will fly from Washington to participate in this panel and carry its decisions back to the capital.

Assemblyman Augustus Hawkins and Judge Isaac Pacht will lead the FEPC section, to which all minority groups look hopefully to back the proposed FEPC initiative.

All assemblymen and senators will be invited to attend the conference. They, as well as all delegates, will be given ballots and asked to indicate their stands on various issues.

Mrs. Aurelia Krishan of Los Angeles is visiting her brother, L. C. Fairchild, and his family for the Christmas holidays.

Wedding Here Saturday

Evans, Casey Road, and Mr. Zane Douglas Tennison, son of Mrs. George Randall, Wellington, Texas, and the late Mr. R. L. Tennison. The Rev. Robert Carlson will officiate at the ceremony.

Miss Wanda White of Exeter will be the bride's only attendant and Russell Sargent is expected to arrive from Portland, Oregon, to serve as best man. Following the ceremony a reception for friends of the young will be held in the church parlors.

After a short wedding trip, the young couple will be temporarily at home in Campbell. Mr. Tennison has recently been released from the Navy after serving as an aviation metalsmith 1/c.

Robert Nickel Back

Another ex-Campbell High student, Robert H. Nickel, has returned with a discharge from the AAF in which he served from Jan. 1942. His wife, Esther, lives in San Jose. At the time of entering the service, Nickel was employed by an electric sign company in San Jose. At the Campbell High school he was a member of the band.

Double Funeral Today For Tragedy Victims

A joint funeral was held today for the figures in Monday's tragedy which took the lives of two young people in a murder and suicide. L. A. Masoner, an overseas veteran, arrived in Campbell Monday afternoon and is reported to have inquired directions at the Busy Bee to his wife's home, Harriet Ave. and Pollard Road. A patron gave him explicit directions and on arriving at her home where she has been living with her family, Mrs. Masoner rushed out to the car to greet him. A few minutes later, Mrs. Masoner's brother and sister-in-law, Mr. and Mrs. Wesley Petty, heard three shots. Masoner had fatally shot his wife, Flora, and then fired a bullet into his own head.

The couple were married in Yuma, Arizona, prior to the war and before going overseas, Masoner was accompanied by his wife to the East coast.

Robert Masoner, of Stockton, father of the dead man, could not be located immediately, but by chance was in Campbell the day after the tragedy and when apprised of it, the two families made arrangements for the double funeral held at the Rutherford Funeral Home today at 2:30, with interment in the Los Gatos Cemetery.

Mrs. Masoner, a native of Kansas, leaves her mother, Mrs. George Petty, seven sisters, Mrs. Erma Williams, Mrs. Pearl Crawford, Harriet Petty, Eva Petty, Lala Petty, all of Campbell, and Mrs. Josephine Smart of Shafter, and Mrs. Dorothy Kincaid of San Jose; and five brothers, Waley Petty, Wayne Petty, Wallace Petty, all of Campbell, and Wilmer Petty, overseas with the army.

Auxiliary Has Party

At the Campbell American Legion Auxiliary Christmas party held in the Country Woman's clubroom which was decorated in the Christmas motif, the "Foot-lighters", Campbell's dramatic group, presented a Christmas play as the feature of the evening. The performance was greatly appreciated by the group and each performer highly praised. Following the play, gifts were exchanged and refreshments served. Hazel Wilson served as chairman for the evening.

During a brief business session preceding the play, a large class of candidates were initiated which included the Mesdames Marie Carvalho, Veronica E. Stoner, Elita M. Gates, Ellen Lanphear, Madeline Ramsey, Dorothy Fournane, Alice Newcomb and Jeanette Grieselle.

Miss Kay Stoner and Miss Grace Stoner were welcomed into the junior group and the unit admitted to membership its first "Tiny Tot", little Miss Mary Lou Fournane, aged 5 months.

Among those who are eligible for initiation and are awaiting the next class are the Mesdames Kathryn Eddy, Evalyn Parks, Maurine Trammell, Margaret Werthmann and Edith Mercer.

On Jan. 9 the unit will meet with the Legion to hear an address by Congressman Jack Anderson.

New Grocery Manager

A new addition to Campbell Ave. is Adam Lewis, the new manager of the grocery department which has recently been added to the Campbell Market. Lewis, who lives in San Jose, is a recent dischargee from the air corps, in which he was an aviation student.

Carvings On Display

It's been quite a spell since a mountain jenny has ambled down Campbell Avenue loaded down with all the paraphernalia that went to make up a prospector's outfit in the good old days—the pick and shovel, the frying pan and bacon, the gold pan and the amalgam, but the ghostly apparition walks again the display case in the office of The Campbell Press as part of an exhibit of the hobby of Claude Prichard of 1585 Hester Street, San Jose, who is employed at Jimmy Arnold's market. Mr. Prichard says his hobby is whittling; really it's wood carving of a very high order of merit. Seems as though Claude presented his employer with a beautifully carved piece representing prime steers on the hoof which has spread his whittling fame up and down the avenue.

More than two dozen examples of his art are included in the group which will be kept on display for the next ten days. Many of the familiar cartoon characters are represented, such as the petite and graceful little Bambi made famous by Walt Disney; Pluto, the dog; Barney Google's fleet-footed steed, a trained seal, a beetle-browed, long-armed gorilla and a lowly skunk. Speaking of steers again, there's a long horn that tells its own story—the drouth has killed the grass, the water hole has dried up, the hot sun is beating down unmercifully, it stands waiting for the inevitable, its ribs and joints showing pitifully—maybe it would be called a hamburger steer.

Mr. Prichard is to be congratulated on his skill and artistry.

Joint PTA Meeting

Dispensing with regular business routine the PTA units of Campbell High and Campbell Elementary schools joined the community in the high school auditorium Wednesday, Dec. 19, for the annual Christmas program given by the high school students. Preceding the program the executive boards met for their monthly session.

The a capella choir sang several selections, and the orchestra played a group of Christmas numbers. Both orchestra and choir were under the direction of Frank Triena.

A play, "Peace On Earth," directed by Miss Gladys Strickland, included a cast of eleven high school students whose portrayal of the characters was very well done.

Lighting and stage effects under the direction of Mr. Meischke were exceptionally effective.

The programs were designed by the art class under the direction of Miss Mary Lewis and printed by the office machine class directed by Miss Beeglt.

C. P. Klassen was general chairman for the evening's program.

Representing Campbell High PTA at the Sixth District December meeting were: Mesdames J. W. Knowles, Eva Grattan, Earl Booker, Clarence Fagilde, Georgene Kidward, H. Cousins and Anthony Jurras.

Kindergartners Have Party

On the last day of school before Christmas vacation, the morning and afternoon kindergarten classes met together in the morning for a Christmas party. Santa Claus made a surprise visit with toys for the kindergartners to use during the year. After the singing of Christmas songs the children were given cookies and popcorn.

No one ever regarded the first of January with indifference. It is that from which all date their time, and count upon what is left. It is the nativity of our common Adam. Of all sound of bells (bells the music highest bordering upon heaven), most solemn and touching is the peal which rings out the old year. I never heard it without a gathering-up of my mind to a concentration of all the images that have diffused over the past twelve-month. All I have done or suffered, performed or neglected—in that regretted time. I begin to know its worth as when a person dies. It takes a personal color; nor was it a poetical flight of a contemporary, when he exclaimed: "I saw the skirts of the departing year." It is no more than what in sober sadness, every one of us seems to be conscious of in that awful leave-taking.—Charles Lamb.

NEW YEAR'S RESOLUTIONS

People have of recent years scoffed at the brand new resolutions made so well-meaningly on New Year's Day and broken so easily the next week. But, perhaps, what is important is not the keeping of the resolutions but the making of them.

That quality in man which makes him recognize his faults, his errors and his transgressions and that desire, ever rising, for self improvement is what is important. If a man loses that interest in his own personality, his own character, then he is really untouched by life around him which is always ending and beginning.

He who is continually growing is constantly making new resolutions—throughout the year—and he who keeps one resolution finds it easier to keep another.

WASHINGTON. — This town, deadly afraid of peacetime boredom, pricked up its ears and licked its chops when Pat Hurley issued his stentorian resignation as ambassador to China. It then settled down to enjoy a good show.

Washington has known Pat ever since 1912 when as a dashing young attorney from Oklahoma he used to appear before congressional committees for the Choctaw nation, and they know he always puts on a good show. Once in testifying before the Senate insular affairs committee as Secretary of War, Pat shouted: "You cannot call me a liar. You can run your star-chamber sessions without me. I have taken all I can stand." Whereupon he flounced out of the room.

Some years earlier, Pat appeared before the House Indian affairs committee to oppose opening the tribal rolls of the Choctaw nations to certain Indians who claimed they were eulched out of their tribal lands. And he was severely criticized by Webster Dalling, who pointed out just two years before, Hurley had represented the Wards, an Indian family which sought to have the Choctaw tribal rolls opened. Thus Hurley was in the position of arguing on both sides of the same question in the brief period of two years.

Pat was not quite as ferocious in those days, however, and for some unexplained reason did not threaten to kick Ballinger out of the committee room.

PATRICK J. O'HURLEY

Pat Hurley has come a long way from those days when Oklahoma was an Indian territory. Born O'Hurley, he dropped the "O" and the Catholic religion of his father to become a Baptist, and after working his way through an Indian college, he had the courage to come to Washington, take a law degree at George Washington, and marry the daughter of Adm. Henry B. Wilson, then and now one of the most beautiful ladies in the capital.

It is a long way from such lowly beginnings to his more recent interviews with Joe Stalin, his airplane flights through the Near East, and his powerful position as the right bower of Generalissimo Chiang Kai-shek. But Pat has staged a colorful personal row at almost every mile-stone along the way.

In Chungking, he first rowed with Gen. A. Wedemeyer over the question of sending a mission to the so-called Communist section of China to evaluate the importance of its military strength. For a while he and Wedemeyer weren't speaking to each other though they occupied adjoining bedrooms in the same house.

Later at a Chungking cocktail party, Wedemeyer's chief of staff, Maj. Gen. Robert B. McClure, chided Hurley for sending General Marshall a telegram of protest against Wedemeyer.

"You pup," boomed the ex-cowpuncher from Oklahoma, "I've shot men for less than that."

Guests had to separate the two men. The Chinese looked on, amused but not impressed. In China it brings severe loss of face to fight in public.

"Pat is Pat," mused FDR when informed of the fuss, "and there's nothing you can do about him."

"Campus Echo" Has Special

Campbell High school's bi-monthly paper, "Campus Echo", had an extra page in their Christmas issue printed in green. On the front and back pages were linoleum blocks printed in red. These were drawn by Marjorie Livingston and Beverly Jensen and cut by Harold Richardson.

'Death Claims William Scott

Funeral services were conducted last Thursday at the Rutherford Funeral Home for William Scott who died Dec. 17. His wife, Edith Scott, lives at 303 E. Campbell. Scott, who was born September 2, 1880, was employed as a maintenance foreman at Hendy's prior to his death.

Population Increases

Population of Santa Clara County at Jan. 1, 1946, will be 229,000, California Taxpayers' Association stated today, making public its annual estimate of population of California counties.

Population of the county a year ago, the association estimates, was 218,000. The 1940 federal census showed 174,949 people in the county. Since 1940, the county has increased by 54,000 persons, or 31 per cent.

Population of the State of California is estimated at 9,250,000 for Jan. 1, 1946, according to the Taxpayers' association. This is a gain of 2,342,600 from the 6,907,387 persons in the state at the time the April, 1940, census was taken, and is an increase of 34 per cent in less than six years. Population of the state a year ago, Jan. 1, 1945, was 8,917,000.

Thirty-six counties in California have had increases of 25 per cent or more in population since the 1940 census was taken, the association estimated. These are: Alameda, Contra Costa, Fresno, Inyo, Kern, Los Angeles, Madera, Marin, Monterey, Napa, Orange, Riverside, Sacramento, San Bernardino, San Diego, San Francisco, San Joaquin, San Luis Obispo, San Mateo, Santa Clara, Solano, Stanislaus, Sutter, Ventura, Yolo, and Yuba. In Solano county, the increase is estimated at 150 per cent. In Contra Costa county, the increase is estimated at 156 per cent.

Twelve counties have apparently had decreases in population since the 1940 census. These are: Alpine, Amador, Del Norte, Imperial, Mariposa, Mono, Nevada, Plumas,

Eastern Star Meets

Mrs. Marie Barnes, deputy grand matron, was the visiting guest at the last Eastern Star meeting on Friday. This meeting was the first conducted by the new officers for the new year with Virginia Currie as worthy matron and Guy Levitt as worthy patron.

After the meeting the social hour was held in the form of a children's party with the members' children and their little friends as guests. The children presented a Christmas program and then enjoyed a visit from Santa and Mrs. Santa, convincingly done by Dr. and Mrs. G. E. Tutt. The social hall was decorated in the Christmas mood for the serving of refreshments. On the committee for the evening were: Frances and William Schleuter, Elenore Shaeffe, Grace Givens, Dr. and Mrs. Tutt, and Lena Robinson.

Allens Have Guests

Mr. and Mrs. Franklin L. Davis of Portland, Oregon, are spending the holidays in Campbell with their daughter and son-in-law, Mr. and Mrs. G. Martin Allen Jr.

Shasta, Sierra, Trinity and Tuolumne.

The Taxpayers' population estimates are primarily based on the number of children enrolled in the elementary grades of the public schools. Employment records, ration book rolls, etc., are also considered. The estimates include the civilian population, together with Californians in military service. No information is available on military populations located in the state.

Withholding Rate Lower

The new and lower withholding rate as provided under the Revenue Act of 1945, will go into effect on all wages and salaries, subject to tax, paid on or after Jan. 1, 1946, Acting Collector of Internal Revenue Paul V. Doyle said today in San Francisco.

Money earned in December, 1945, and paid on or after January 1, 1946, will be subject to the lower withholding rate Doyle pointed out.

An example of the new rate as compared with the present withholding rate is shown below:

A single person working for a salary of \$50 a week and claiming one exemption had \$8.20 a week deducted for 1945 income tax payment; a single person working for a salary of \$50 a week will have \$6.89 a week deducted for income tax payment in 1946.

A married couple with one dependent and the husband working for a salary of \$75 a week and claiming three exemptions in 1945 had \$9.50 a week deducted from his salary for tax payment; a married couple with one dependent and the husband working for a salary of \$75 a week and claiming three exemptions will have only \$7.30 deducted from his weekly pay for income tax payment in 1946.

Revenue Offices To Be Closed

Internal Revenue offices in Northern California will be closed Monday, Dec. 31, according to an announcement made today by Acting Collector of Internal Revenue Paul V. Doyle, of the First California District.

To off-set the two holidays in December, arrangements have been completed to have all Internal Revenue offices open Saturday, Dec. 29 and Saturday, Jan. 5, 1946, Doyle said.

This arrangement has been made through the suggestion of President Harry S. Truman, to give employees four days at Christmas time and three days at New Year's. By working Saturday, Dec. 29 and Saturday, Jan. 5, 1946, it gives the government four continuous days in each week, a more efficient arrangement than an interrupted work week of the same length.

Forms To Be Mailed

Income tax forms for the reporting of 1945 tax liability will be mailed to taxpayers of record soon after Jan. 1, Acting Collector of Internal Revenue Paul V. Doyle said today in San Francisco.

Approximately five million income tax forms have been received by the San Francisco Office. Another carload is en route. Some eleven million income tax forms will be supplied the First California district (all California north of the Kern County line), for the filing of returns by the two million persons in this district, required to report to the government on their earnings.

Fiesta Review Coming

Maclovía Ruiz, celebrated flamenco dancer with the "Mexico City Fiesta Revue", Civic Auditorium, San Jose, Monday night, Jan. 7.

The "Mexico City Fiesta Revue", featuring the Hermanas Padilla, famous ranchera singers; Maclovía Ruiz, flamenco dancer; Los Juchitecos, comic dancers; Julian Oliver, XEW radio tenor; Sabrosita, bolero songstress, and others, plays the Civic Auditorium in San Jose Monday night only, Jan. 7, coming here direct from Mexico City under the sponsorship of Pan-American Concerts. This is the third event of the series, on which Miguel Lerdo de Tejada's "Tipica Revue" and "A Night in Havana" have already been presented with outstanding success.

Tickets are now on sale in the west box office, Civic Auditorium, where reservations may be made by phoning Ballard 1441. It is advisable to secure seats in advance.

Gay and colorful fiesta numbers of Guadalajara, Oaxaco, Taxco, Puebla, Tehantepec, Patzcuaro and Yucatan are introduced in the "Mexico City Fiesta Revue", all magnificently costumed in authentic style.

This will be the first appearance of the Hermanas Padilla in San Jose in over a year. They offer several new songs, as well as "Ay, Jalisco", "Cocula", "Los Tarzanes" and other favorites which they popularized on Victor records.

It also marks the return of Maclovía Ruiz, former premier dancer of Spanish roles with the San Francisco Opera ballet. She scored an outstanding hit in previous San Jose showings. Los Juchitecos, comic dancers who were acclaimed last October with the "Tipica Revue" contribute several numbers. Also featured is Julian Oliver, former leading tenor with the San Carlo Opera.

Anderson Wants Housing Action

Congressman Jack Z. Anderson has called on President Truman to do something about the housing situation.

In a letter to the President Congressman Anderson suggests that a survey be made by direction of the President, and states his belief that such a survey would disclose a vast quantity of surplus stocks that could be made immediately available to the home-building industry of the country. He urges that the President use his good offices to expedite this necessary and desirable action at an early date.

Congressman Anderson, in his letter to the President, tells how, as a member of a special subcommittee of the naval affairs committee, he helped investigate the lack of housing facilities in the Hawaiian Islands. The committee was advised by the ranking Army and Navy officials in the area that there was no lumber or other materials in Army and Navy stock piles for the construction of badly needed dwelling units for civilian workers. However, a visual inspection by members of the committee, plus testimony of various witnesses, indicated otherwise. At the insistence of the committee the Army and Navy agreed to re-survey their stock piles, and decided they would be able to release approximately 4,000,000 board feet of lumber for construction of housing units.

Anderson expressed the belief that a survey of conditions in this country would result in similar findings. Release of stock piles would afford great relief to the housing situation. It is now conservatively estimated that approximately 3,000,000 veterans and their families will be without homes by the end of 1946 unless there is a tremendous increase in the rate of construction of private dwellings and apartments.

Permanente Will Expand

Good news for Santa Clara County came recently in an announcement by Henry J. Kaiser, president of Permanente Metals Corporation, that his big magnesium plant in the Los Altos foothills and three allied plants will expand operation in peacetime production.

The plants are now producing 25 items, with employment reduced to 450 workers, since magnesium production was temporarily halted at the end of the war due to the huge surplus of the metal. Of the 25 present items, most of them are used by the building industry.

With resumption of magnesium output, for which a 500 per cent peacetime demand over the annual wartime use of 12,000,000 pounds is anticipated, the big corporation expects employment to return at least to the V-J Day level of 1000.

Kaiser also revealed that changes in the magnesium production process will make the plant one of the most economical to operate in the United States.

As soon as these process changes are completed and arrangements made for manufacture of "end products", Permanente will be back in magnesium production. End products were defined as buses, trucks and trailers, or other items where light magnesium alloys can be used to add strength with less weight than in old construction using iron and steel. The three allied plants mentioned are the ferro-silicon plant at Los Altos and chemical plants at Moss Landing and Natividad.

Kaiser also reported that the \$28,475,000 Reconstruction Finance Corporation loan on the Permanente plant has been repaid six years ahead of maturity. It was originally set up for a ten-year period. The government gained \$3,500,000 in interest at four per cent besides repayment of the loan, according to Permanente figures.

William McCaughey Dies

Funeral services were conducted this morning at 10:30 from the funeral home of Curry and Gripenstraw in San Jose for William Gilbert McCaughey of Stockton, who leaves a brother and a sister here: Mrs. Elena Robinson and Benjamin L. McCaughey. Interment followed at the Los Gatos Cemetery.

New Treasury Decision

The recent decision of the U. S. Supreme Court upholding the right of the Treasury Department to include for estate tax purposes the entire community property of both spouses in the estate of the one who first dies, applies to California as well as to all other of the seven so-called community property states, declared Acting Collector of Internal Revenue Paul V. Doyle, in a statement released today in San Francisco.

"That confusion exists regarding this decision," said the Acting Collector, "is evident from the numerous inquiries reaching this office, and while it is true that the California community property law differs from those of the other states, in a way which might affect the filing of income tax returns, its position under this decision is similar to all the others. Undoubtedly part of the misunderstandings stems from the fact that the litigation did not originate in California, one of the District Court decisions being in a Texas case, and the other in a Louisiana matter, although California was represented in the certiorari proceedings before the Supreme Court.

"Authority for the procedure now confirmed by the high court was first given the Department by Section 402, of the Revenue Act of 1942, and the decision will, of course, effect no change in the operation of the law.

"It should be kept in mind, however," pointed out the Acting Collector, "that the decision relates solely to the estate tax, and can have no immediate bearing on the right to file income tax returns on a community property basis, by bona fide residents of California, for the current year."

Little Serves on Ship

H. L. Little, seaman first class, 35 Hazelwood Ave., Campbell, is serving on the USS West Virginia, which has changed from a fighting ship to a passenger liner in the Navy's program to speed servicemen home.

The West Virginia, which blasted the enemy in five campaigns, by Dec. 15 had carried 7500 veterans from Pacific bases to the United States in her role as a unit in the "Magic Carpet" fleet.

Badly damaged at Pearl Harbor, the battleship came back to fight at Leyte, Surigao Strait, Mindoro, Luzon, Iwo Jima and Okinawa. She was the only Pearl Harbor victim present for Japan's surrender in Tokyo Bay.

Seal Sale Closes

The 39th annual Christmas Seal sale ended officially Christmas Day with returns slightly ahead of last year, and the sale so far totaling over \$30,000. Goal set for this year is \$45,000.

However of the 52,000 letters mailed out on Nov. 19, to date only 25,000 have been heard from. It is not too late to mail in contributions for Christmas Seals. Contributions will be received at any time, according to a statement from Mr. O'Keeffe, of San Jose, president of the Santa Clara County Tuberculosis Association.

At a meeting of the association's executive committee last Thursday at the Hotel De Anza in San Jose, Mr. O'Keeffe, president, outlined plans for 1946; continuance of county-wide chest X-raying of adults on an even larger scale depending upon the success of the 1945 Seal sale, public health nursing service, distribution to physicians of free tuberculin.

Executive committee members also discussed final plans for the placing in the County Hospital for a period of one year for the chest X-raying of all hospital and clinic admission, another 4x5 photorentgenographic unit, ordered last August at a cost of \$3000.

Dr. Buford N. Wardrip, chairman of association's case-finding committee stated that among admissions to general hospitals has been found a large percentage of persons with active tuberculosis, even though they were admitted to the hospital for other ailments and conditions. In some parts of the country the percentage of active cases of tuberculosis found in this group runs as high as 10 per cent. Christmas Seals finance the year round program of the Santa Clara County Tuberculosis Association.

Enjoys Christmas

Among the thousands of ex-servicemen who had a Christmas celebration with a small son or daughter for the first time, was John Crawford who had never seen his small son, John Denis, 2, until his return from overseas in October. As a sergeant he served in the army for almost 4½ years with 30 months of that time in the Pacific. His wife, the former Dorothy Penhall, and their small son have been living in Campbell. On Christmas Day a large family gathering was held at the William Penhalls'.

California Central Valley Project

Strong opposition to federal control—such as the government exercises in the Tennessee Valley Authority—in connection with the California Central Valley Project, has been voiced in the House of Representatives by Congressman Jack Z. Anderson.

Anderson's remarks were occasioned by bills now before Congress which have as their purpose the creation of so-called regional authorities to rule permanently and totally over the areas in which projects such as the Central Valley Project of California are located. These bills, if passed, would forever deprive the individual states of all authority over the water and power and other resources developed by the projects.

Anderson characterized such bills as infringing upon the interests and rights of the people of California. He called attention to a statement made by the California Chamber of Commerce in which federal authorities like the Tennessee Valley Authority were called "a dangerous welding of economic control and political power" and closed with the statement, "when we surrender control over the spending of public money, we surrender control of government."

Clothing Drive Opens In January

Henry J. Kaiser, national chairman of the Victory Clothing Collection, today announced the appointment of Dan A. West as executive director of the nation-wide clothing drive for overseas relief in January.

Mr. West, who is director of the Division of Contributed Supplies of UNRRA, was executive director of the April United National Clothing Collection and Mr. Kaiser was its national chairman. In this campaign, the American people contributed enough clothes, shoes and bedding to befriend 25,000,000 war victims in Europe, the Philippines, and China.

To help millions of other men, women and children in war-scarred lands, President Truman called upon Mr. Kaiser to head another national clothing drive. The goal in the Victory Clothing Collection, January 7-31, is 100,000,000 serviceable used garments, in addition to shoes and bedding.

Mr. West reported that 6816

Mission Trails Praise Papers

In executive board meeting at San Luis Obispo, Dec. 7, the California Mission Trails Association, voted to reactivate the Newspaper Publishers Unit of the Association, with J. Montgomery Brown, Atascadero News, as chairman.

In presenting the motion, Senator Chris Jespersen gave tribute to the assistance which the newspapers of the area had given the association and the unflagging efforts of Mr. Brown in the Mission Trails Association's behalf.

"Despite the paper shortage," said Senator Jespersen, "the newspapers have given great space to the reorganization news of the association and so publicized same that everyone is now acquainted with the program as it has developed."

A cordial invitation was extended for all newsmen to attend the coming annual convention of the association to be held in Santa Barbara on Jan. 27, 28, 29, 1946.

32,000 Already Enlisted

Over 32,000 men have already enlisted in the Ninth Service Command since the start of the recruiting campaign on Sept. 15. Official figures up to and including Nov. 14 for the entire Army Recruiting Service throughout the world was 158,094 men in the regular army. However, the two-star General estimated that this figure was probably doubled during the last two weeks of November when thousands re-enlisted to beat the Nov. 21 deadline set for veterans to return in the same grade held at the time of discharge.

Commenting on figures of the San Francisco Recruiting Service, General Shedd said that the Northern California district alone had enlisted over 2000 men since Sept. 15, and was approximately 20 per cent over the quota set for the San Francisco District. "From all over the Ninth Service Command, and in fact, the entire world, preliminary reports indicated that the recruiting drive will exceed our expectations. I believe that within the next few months, we will reach our goal, so that many men now in the service overseas may be replaced by the new regular army men."

The General expressed his view that under the Recruitment Act passed on Oct. 6 by Congress, men enlisting in the new army have the most liberal benefits and opportunities ever offered in any army. "The army has opened the doors for a fine career to young men that cannot be equaled outside in industry and business. The retirement plan, pay, family allowances, benefits under the G. I. Bill of Rights and opportunities for education are most outstanding," said the General.

Lt. Col. R. J. Miller, head of the Ninth Service Command's Recruiting Service estimated that 75 percent of the men enlisting in the regular army were former G. I.'s. Although enlistment terms were cut to as low as one year, he said 75 percent of the enlistments in the regular army were for a three-year period.

Sutton Discharged

Another recent Campbell discharger is Frank K. Sutton, Shellie Ave., who received his discharge at Fort Lewis, Washington.

STRONG ARMY NEEDED SAYS SHEDD

Emphasizing the need for a strong standing army, Major General William S. Shedd today disclosed that over 1,000,000 men must be secured through voluntary enlistments by July 1, 1946, to speed the demobilization of men now in the army, and at the same time maintain our security garrisons throughout the world.

Speaking at a press conference at the Northern California Army Recruiting District headquarters, San Francisco, the Commanding General of the 9th Service Command, said that in the Ninth Service Command alone, a minimum of 70,000 regular army enlistments has been set as the quota for an eight-month period ending July 1, 1946. However, this figure is expected to be doubled through enlistments of men while still in the army, and young men never in the service before.

Mr. and Mrs. Jack Murdock and their children, left last Saturday to spend the next four days in Healdsburg with Mr. Murdock's family.

Navy Man Here

Among the service men who arrived home for the holidays was Harold Fairchild, M. M. 3/c, son of Mr. and Mrs. L. C. Fairchild. Musical Play In San Francisco

The vogue for good musical entertainment is never ending and so "The Student Prince" should enjoy its limited holiday engagement at the Curran Theater, San Francisco, commencing Monday, Dec. 24.

Dressed, directed and staged anew, this favorite operetta, which has proved itself by the test of time to be one of the finest of all light operas, as well as one of the most popular musical productions ever to be presented throughout the world, comes bearing in its wake new acclaim and new successes.

"The Student Prince" has been eagerly and most enthusiastically welcomed wherever it has played during its present tour. Acted and sung by a splendid group of artists, one of the best casts it has ever had, and with a stunning singing chorus, Sigmund Romberg's musical classic is as joyful and entertaining in the retelling as in the original version some years back.

The well-loved "Golden Days", "Serenade", "Deep In My Heart, Dear", "Just We Two" and "Student Days", are a few of the great song hits in the marvelous Sigmund Romberg score. Many of these songs are assigned to the male chorus, one of the big features of this production of "The Student Prince".

Featured in the large and excellent cast are Alexander Gray as Dr. Engel; Laurel Hurley as Kathie; Detmar Poppen as Lutz; Toby Durst as Prince Earl Franz; and Nina Varella as the Grand Duchess Anastasia.

"Dear Ruth" To Play

Rande Sanford as Ruth in "Dear Ruth", Civic Auditorium, San Jose, Jan. 13.

"Dear Ruth", which Walter Winchell predicts will "keep audiences laughing for 30 years", will have one performance in the auditorium, San Jose, on Monday evening, Jan. 14, coming direct from its eight weeks of sold-out houses at the Geary Theater, San Francisco. "Dear Ruth" is one of the great successes of the year, still running in New York and Chicago, having been staged by the famous Moss Hart, produced by Joseph Hyman and Bernard Hart, and written by Norman Krasna. Krasna is one of Hollywood's top-flight writers, author of "Princess O'Rourke" and "Practically Yours".

"Carmen", as given by the famous San Carlo Opera Company, will be brought to San Jose on Saturday evening, Jan. 19, starring Coe Glade in the title role.

Tickets for both events are now on sale at the Denny-Watrous box office, San Jose auditorium.

Scheduled for the coming week at the Campbell Theater are a number of popular attractions, among them two outstanding hits. On Sunday and Monday Ernie Pyle's "Story of GI Joe" will play. "This picture is based on Pyle's 'Here Is Your War' and 'Brave Men'". It's not just documentary, nor just melodramatic, and it's not just a good story—for it is not a story at all in the formal sense—but it's all of these on occasion, and it's always the plain story of the plain fighting soldier, the infantryman, an unembroidered and intimate account of what goes on out there where wars are won.

It should be said at once that this is a war picture, first, last and always, and it's to be added immediately that it's about the warriors more than it is about the war they fight. Burgess Meredith plays the lead, but the story is more concerned with the small incidents that go to make up the soldier's existence; a dog that goes along; a soldier who goes berserk when he plays a recording of his small son's voice; a wedding during a 12-hour breather; and a soldier who is punished for taking time out for romance.

Co-billed is Ruth Terry and Robert Livingston in "Tell It To a Star".

The other outstanding attraction of the week's shows is Deanna Durbin in "Lady on a Train". This diverting comedy is comparable to such successes as "Theodora Goes Wild" and "The Awful Truth". Its what is known as a "screwball" comedy, poking good humored fun at big business, detective story addicts and those sultry night club singers whose delivery evokes appreciative whistles from the patrons. Add Deanna Durbin's lovely voice, her ability as a comedienne, and skilled performances by Ralph Bellamy, Edward Everett Horton, Dan Duryea, and David Bruce—and the result is solid entertainment.

The other feature with "Lady on a Train" is "Love, Honor and Goodbye" starring Virginia Bruce and Edward Ashley.

Pundita Circle To Hear Wave

At the next meeting of the Pundita Circle, Jan. 2, at the home of Mrs. F. Stephens, Wave Maryan Rucker will entertain the group with the recounting of her experiences in the Navy.

Morgan To Be Home

T/S W. D. Morgan who served in the Signal Service in both the European and Pacific theaters landed in Seattle Dec. 15, and returned to Campbell as soon as he was able.

The series, entitled "My Brother's Blood" will close with "The Inclusive Church", a program portraying the universality of Christianity and dealing with the story of a minister who tried to make his church inclusive in the real sense of the word.

The program originates from Columbia Square in Hollywood and is sponsored by the Council of Churches of the West Coast.
